TELECOMMUNICATIONS ORDINANCE (Chapter 106)**

**PCCW-HKT Telephone Limited (“PCCW-HKT”) and Hong Kong
Telecommunications (HKT) Limited (“HKT”)**

Name of Tariff:

Integrated Digital Access Business Telephone Service (“**IDA Service**”)

Description of Tariff:

See Annex A

Effective date of tariff:

21 July 2025

Revision history:

Revision to the tariff No.: U0025-007-Nov2017-R published on 23 November 2017 in respect of rebranding for certain value-added service package for commercial customers for IDA Service.

Integrated Digital Access Business Telephone Service^{1,2} (“IDA Service”)

IDA Service provide telephone service(s) which allow a subscriber (being a commercial customer) at designated commercial address(es) using an apparatus from a fixed line, facsimile machine, computer device, handheld device, private automatic exchange (“PABX”) or other equipment to communicate with another such device(s) (including but not limited to originating/receiving voice calls, facsimile and other form of data transfer) enabling incoming and/or outgoing calls made to/from designated block(s) of Direct Dial-In (DDI) numbers (where each DDI block contains 100 numbers) assigned to such commercial customer via one or more channels of communication under a Line³ utilising designated digital technology as specified by HKT through fixed telecommunications network. IDA Service includes but not limited to IDA-P and IDA-M services.

The charges for IDA Service are set out as below:

<u>Particulars</u>	<u>Charge / mth</u> <u>(HK\$)</u>
(1) Line Rental³	
(a) IDA-P Line	20,000
(b) IDA-M Line	20,000
(c) Priority IDA line	20,000
(2) Value-added Services (“VAS”)	
Value-added Services (“VAS”) features set out in the rates table below enable a commercial subscriber to enjoy additional features whilst subscribing to an IDA Service via customer’s own network equipment(s) and/or smartphone apps. Usage of certain features of VAS is subject to eligibility of relevant device accessing IDA Service and/or relevant VAS feature(s) on offer to a particular IDA Service. Relevant terms and conditions of VAS apply. VAS may be offered individually or as a bundled service plan to a commercial subscriber including but not limited to Smart Biz Line – On-the-go and Corporate Fax Solution.	
(a) Block-the-blocker (enabling a customer to reject incoming calls not showing caller line identity or anonymous calls)	1,500 / Line

- Charge per occupancy minute	1 / Minute

Remarks:

- (1) Each IDA Service under relevant Service Plan(s) is subject to applicable terms and conditions (as amended from time to time) set out in any Service Plan(s), Application and Service Literature, applicable Special Conditions under the relevant Service (if applicable) and the prevailing General Conditions of Service of HKT.
- (2) Provisions of an IDA Service and are subject to network resources and availability. Further, HKT can only provide IDA Service(s) to those locations where its network is currently installed and such IDA Service(s) are being and can in the future be provided. Whether an IDA Service is available at a customer's address will depend on the infrastructure in place to his/her residence, the technology HKT is currently using within and to the building of the customer's address (which HKT may change from time to time), marketing initiatives and other factors as determined by HKT from time to time.
- (3) Unless otherwise stated, the line rental for an IDA Service is charged based on the leasing of a digital line ("**Line**") enabling designated number of communication channel(s) as specified by HKT.
- (4) HKT reserves the right not to provide any Service(s) to those customers who have previously found our service to be unacceptable despite it being provided in accordance with our tariff terms and conditions and at our normal service levels.
