Hong Kong Telecommunications (HKT) Limited (“HKT”)**

Name of Tariff:

PCCW Home EasyWatch (“Service”)

Description of Tariff:

See Annex A

Effective date of tariff:

1 April 2013

Revision history:

Revision to the tariff published in Tariff No. U025-030 published on 7 July 2011 regarding cessation of offering the Service to new customers.

PCCW Home EasyWatch Service (“Service”)

The Service provides a one-stop, easy-to-use, remote monitoring service that enables a user to keep an eye on home premises effectively and with the utmost convenience. This Service will not be offered to new customers from 1 April 2013.

A valid username and a password for accessing the Service through web and WAP are assigned to a user for the purpose of the Service. Further, a fixed line telephone number (i.e. Personal Connection Number¹) is assigned to each user for direct access to the Service through mobile and fixed line phone via video call. A user can access the Service through the following means:

- PC with Microsoft Internet Explorer Web Browser
- now TV channel 509
- Mobile Phone via video call or WAP access²
- Fixed line phone via video call³

Tariff Table: (All in HK\$)

Service Fee including 8 hours storage	498 per month
Installation / Relocation Fee	2,000

Notes:

- (1) The Personal Connection Number enables incoming video call only.
- (2) For mobile access to the Service (e.g. 3G video call and 2.5G/3G WAP data streaming), the Service only supports 3G phones with video call capability for video call access and 2.5/3G phones with 3GPP-compliant player, such as Real Player One for WAP access. User shall be responsible for the prevailing charges applicable to service provider(s) for using the Service through 3G video call and data access via various platforms.
- (3) The cost of viewing the Service through fixed line phone via video call is subject to the prevailing charges of various service providers via eligible devices.

Remarks:

- (i) The provision of the Service is subject to HKT’s prevailing General Conditions of Services, General Conditions of Telecommunications Service (Consumer Customers), relevant Special Conditions[#] of the Service (as the case may be), and where applicable, the terms and conditions set out in any service plan, Application and Service Literature.
- (ii) The offer of the Service is subject to the availability of HKT’s resources.
- (iii) Other telecommunication service providers may block the accessibility to the Service and certain telephone vendors’ unique specification may not be compatible with the Service. Some 3G mobile phones (including smart phones) may not be compatible with the Service. In view of these situations, the Company does not give any warranty on the use of the Service.

(iv) The Service may be affected by extraneous factors such as the user's personal computer software, hardware and Internet firewall settings, wireless router or device nearby, the actual distance between the camera and the wireless receiver, the sharing of modem with other device(s), physical layout of the Service Installation Address or any third parties factors that are not arising from the Service.
